BOOK GUIDELINES:

1. Build pages with a final trim size of 5.5" x 8.5"
2. All pages should have a 1/8" bleed (.125")
3. The red line represents the trim and everything beyond that will not print.
4. DO NOT BUILD JOB WITH PAGES AS SPREADS.
5. Number of pages in files must match number of pages in book. Include any blank pages if necessary.
6. Pages must be in sequential order, for example Cover, page 1, 2, 3, 4, 5, 6, 7, and Back Cover (for an 8pg book)
7. Supply a single page high-res PDF with bleed and all fonts and images embeded

Red Line is CUT Line
Finished product will be cut to this line

Blue Line is END OF BLEED Line
Background image/colour/artwork should extend to this line

Green Line is SAFETY Line
All important information should be inside this line
